

The **Dance for Life!** residency helped 30 elementary and middle school students in Roanoke, Virginia, learn about health, personal fitness planning, and good nutrition as they learned the basics of tap and hip hop dance.

The **Military Child Initiative** brought a visual arts project and a storytelling and dance project to elementary school students in Norfolk, Virginia. The Military Child Initiative teaches military-connected children how to express their emotions through art.

Students participating in the **Strings Impact** program in Portsmouth, Virginia, learned how to play the violin and showcased their new skills in a district-wide performance.
